

Arrival Information

**NOTE: Google Maps has the wrong house pictured.
Correct house pictured at right**

- **Parking:** Please park either in our driveway or in front of our house. Watch out—high curb hurts the passenger side door.
 - Several people across the street are elderly and have no driveways or garage.
 - If you have a big group, please park on 2nd Street between Mozart and Market (1/2 block East). There is a long portion of 2nd Street with no homes needing parking.
- **Thermostats:** There are two thermostats - upstairs and down. When arriving at the house, adjust both as needed. Text John at 314-494-0687 with any questions.
- **Recycling** is by the bar in kitchen. Unfortunately, Hermann doesn't have curbside recycling. If you recycle, please take the items home.
- **Towels:** *Dish Towels* – Kitchen under silverware drawer. *Bath Towels:* Main floor bathroom cabinet above toilet, and in the glass cabinet at the top of the stairs (2nd floor).
- **Bath Tissue:** In hall closet on 1st floor or linen closet in shared upstairs bathroom w/tub.
- **Paper Towels/Napkins/Trash Bags:** In the pantry in the kitchen.
- **Kitchen Deadbolt:** The kitchen door is operated with code lock. After entering the code you'll hear a click. Just turn the lock and door knob to the right. TELL YOUR FRIENDS THE CODE in case you are separated. (oh, there are stories ☺)
- **Landscaping lighting:** On a sensor---no need to adjust.
- **Neighbors:**
 - To the West: Frank and Donna at Nestle Inn (you face their house when washing dishes in kitchen). Very friendly and helpful.
 - To the East: Cottage with large porch-----→
(we also own the cottage)

From Your Hosts, John & Bryan: Enjoy!!!
